

Administer ACF2™ Users: Foundations 200

Type  Web-Based Training
Length 35 min
Code 06ACF20210

AUDIENCE

- Security Administrator
- Auditor
- Implementer

Course Overview

The objective of this course is for learners to be able to:

- Describe special user LIDs, scope security and account privileges
- Create and modify LID records using ACF2™ commands
- Examine activity log reports
- Understand the function and structure of the LID record

This course is separated into four sections, which you can complete at your own pace:

1. Special User LIDs, Scope Security & Account Privileges
2. Create and Modify LID Records
3. Activity Logs
4. Module Summary
