Compliance Event Manager
Version 6.0

COURSE TYPE, LENGTH, & CODE

- Web-Based Training (WBT.)
- 45 Minutes
- 06CEM20010

Course Overview

Compliance Event Manager continuously monitors your mainframe environment for a wide range of security-related events and notifies you of these events when it detects them.

This course describes policy statements and policy sets in Compliance Event Manager (CEM) and uses example use cases to show the configuration of Event-based, PDS Monitor, and ESM Monitor policy statements.

This Course Will Show You How To:

- Create and deploy policy statements
