

# IDMS™: The ADS Language - Automatic Editing 200

## EDUCATION COURSE DESCRIPTION

### COURSE TYPE, LENGTH, & CODE

- WBT
- 30 Minutes
- 06IDM20920

### WHO SHOULD ATTEND

- Mainframe Developer
- Mainframe DBA

## Course Overview

This course shows you how to use the Automatic Editing features of ADS Online and the online Mapping facility. It also includes a demonstration of how to use Automatic Editing to improve the appearance of data elements on your Maps, build Edit & Code Tables, and use tables within your Maps.

**Note:** If you'd like to share your ideas for Broadcom Mainframe product training, subscribe to the [Mainframe Education Community](#), where we'll share calls for input.
