

Renewing Certificates - Internal Certificate Authority 200

EDUCATION COURSE DESCRIPTION

COURSE TYPE, LENGTH, & CODE

- WBT
- 0.10 Hours
- 06SEC20160

WHO SHOULD ATTEND

- Customers

Course Overview

The course will cover how to identify certificate expiration dates, and how to renew internal Certificate Authority signed certificates. Discuss tools for identifying when a certificate is about to expire and renewal instructions for all three mainframe security products.

Note: If you'd like to share your ideas for Broadcom Mainframe product training, subscribe to the [Mainframe Education Community](#), where we'll share calls for input.
